▶▶ Gaining Real-World Experience, Ethics and Legal Skills

Jason Glinski is a senior from Depew High School and is enrolled in the New Visions Legal Academy program at Erie 1 BOCES Potter Career and Technical Center.

"I enrolled in BOCES because I wanted to learn more about the legal system and our government and to learn what being an attorney is like," Jason said.

In the fall of 2022, following graduation, Jason plans on attending college in Washington, D.C. and majoring in political science and minoring in history.

Under the instruction of Jennifer Steiner, Jason has learned about legal and ethical responsibilities, real-world legal experiences and more.

"Jason has an excellent grasp of legal concepts. He is conscientious, a critical thinker, and self-motivated. The skills that he is demonstrating today are paving the way to a very successful future," said Steiner.

"This program has provided me an advantage to reach my goals by giving me an opportunity to learn things I wouldn't learn in a regular government class and the opportunity to watch trials in real time," Jason said.

As part of public education, Erie 1 BOCES offers a variety of career and technical programs during the regular school day to high school students in Erie County. High school students interested in learning more about how they can participate in various programs such as sports science, web and gaming technologies, nursing or aviation technology, should visit www.e1b.org/cte or speak with their high school counselor.

▶▶ Depew Student Enjoys 'Small' CCRA Classes

Mark Settlemyer has found success in College and Career Readiness Academy (CCRA).

"This program has provided me an advantage to reach my goals by having teachers that can follow my progress and I like being in a smaller class," said Mark.

"The experience I've liked best this school year is having Ms. Morton as a teacher again," said Mark.

"I like my classes at Erie 1 BOCES because they are smaller and most of the teachers are understanding," said Mark.

▶▶ What is BOCES?

Erie 1 Board of Cooperative Educational Services (BOCES) is a regional school cooperative providing instructional and professional services in order to empower others and transform lives. In 1957, school districts in Erie County created Erie 1 BOCES to collaborate on educational offerings while reducing their individual expenses and enhancing quality. Erie 1 BOCES exists to meet your school district's needs.
