

2023 Briefing of Erie 1 BOCES Services

Robert Peters during culinary class.

►► Clarence Senior Cooking Up a Great Future

Robert Peters is a senior from Clarence High School and is enrolled in the Culinary Arts program at Erie 1 BOCES Harkness Career & Technical Center.

"I enrolled in BOCES because I want to better my culinary abilities," Robert said. "I also wanted to correct my weakness and become a better, well-rounded student."

In the fall of 2023, following graduation, Robert plans on enrolling in a culinary school and continue working in a restaurant to further his culinary portfolio.

Under the instruction of John Marinelli, Robert has learned about safety and sanitation, poultry, cold food preparation and more.

"Robert is an outstanding student with a great grasp of culinary concepts," Marinelli said. "He has the drive and determination to be the best at what he does."

"This program has taught me how to deal with adversity in the kitchen and how to multitask and concentrate on a daily basis," Robert said. "I think it's important to join a BOCES classroom; if you have any idea of what you want to do with your life and BOCES has a class for it, join it."

As part of public education, Erie 1 BOCES offers a variety of career and technical programs during the regular school day to high school students in Erie County. High school students interested in learning more about how they can participate in various programs such as sports science, web and gaming technologies, culinary arts or aviation technology should visit www.e1b.org/cte or speak with their high school counselor.

►► Leader in Me

With the help of Erie 1 BOCES Curriculum and Professional Development Coordinator

Tricia Fay, Clarence School District is implementing the Leader in Me program.

This program brings together administrators, teachers, students and families to focus on social emotional learning, wellness and leadership.

CSD administration has prioritized this work and continues to move forward hand in hand with their incredible teachers - lifting up this work to make it an integral part of each and every day within their classrooms and hallways – from language and culture, goal setting and planning, to most importantly, real student leadership within each area of daily life at school.

►► What is BOCES?

Erie 1 Board of Cooperative Educational Services (BOCES) is a regional school cooperative providing instructional and professional services in order to empower others and transform lives. In 1957, school districts in Erie County created Erie 1 BOCES to collaborate on educational offerings while reducing their individual expenses and enhancing quality. Erie 1 BOCES exists to meet your school district's needs.

►► Mission

Erie 1 BOCES commits to those we serve - students, staff and communities - by understanding, anticipating and responding to their needs.
