### ►► Hamburg Senior Cuts Her Teeth in Dental Program

Grace Staffone is a senior from Hamburg High School and is enrolled in the Dental Laboratory Technology program at Erie 1 BOCES Harkness Career & Technical Center.

"I enrolled in BOCES because I am striving to get a job in the dental industry after high school, and I wanted to acquire the necessary skills and advance myself in the field," Grace said.

In the fall of 2023, following graduation, Grace plans on attending college to become a dental hygienist and earning her dental assistant certification, potentially continuing her education further to become a dentist.

Under the instruction of Julie Jurgens, Grace has learned about orthodontics and restorations, dental and oral anatomy, complete dentures and more.

"Grace is a pleasure to have in class," Jurgens said. "She is so interested in the class and always gives 100 percent. Her hands-on skills are excellent and she pays attention to detail and strives for perfection with all the lab projects."

"This program has given me insight into what the dental field is like," Grace said. "It's helped me become absolutely certain about my career choice."

As part of public education, Erie 1 BOCES offers a variety of career and technical programs during the regular school day to high school students in Erie County. High school students interested in learning more about how they can participate in various programs such as sports science, web and gaming technologies, nursing or aviation technology should visit [www.e1b.org/cte](http://www.e1b.org/cte) or speak with their high school counselor.

### ►► Hamburg Student Finds Success

Emma Smith has found success in eAcademy.

"Emma takes pride in her work and she actively participates during class," said Emma's instructor, Heather Savoy. "She has positive relationships with her teachers and peers."

Upon graduation, Emma hopes to attend college to become a neonatal nurse.

"This program has allowed me to go to school and learn – even if it's virtual," she said. "I like utilizing the breakout rooms to meet and work with other students."

### ►► What is BOCES?

Erie 1 Board of Cooperative Educational Services (BOCES) is a regional school cooperative providing instructional and professional services in order to empower others and transform lives. In 1957, school districts in Erie County created Erie 1 BOCES to collaborate on educational offerings while reducing their individual expenses and enhancing quality. Erie 1 BOCES exists to meet your school district's needs.

### ►► Mission

Erie 1 BOCES commits to those we serve - students, staff and communities - by understanding, anticipating and responding to their needs.
