►► Lackawanna Senior Starts Career with Nail Polish Business

Faith Johnson is a senior from Lackawanna High School and is enrolled in the Cosmetology program at Erie 1 BOCES Potter Career & Technical Center.

"I enrolled in BOCES because I was interested in learning more about cosmetology and I wanted to gain more knowledge about the different career paths you can pursue," Faith said.

In the fall of 2023, following graduation, Faith plans on attending college for business management and administration.

Under the instruction of Lisa Vater, Faith has learned about hair design, nail care, skin care and more.

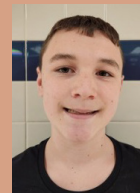

"Faith is dedicated to her education," Vater said. "She has been involved in many clubs and extracurricular activities and she has volunteered in the community in different ways. She has even gone so far as to start her own successful nail polish business."

"This program has shown me the different avenues and options that I didn't know I could pursue in this field," Faith said.

As part of public education, Erie 1 BOCES offers a variety of career and technical programs during the regular school day to high school students in Erie County. High school students interested in learning more about how they can participate in various programs such as sports science, web and gaming technologies, cosmetology or aviation technology should visit www.e1b.org/cte or speak with their high school counselor.
