▶▶ West Seneca Senior Excited for Future in Cosmetology

Amanda Zier is a senior from West Seneca West Senior High School and is enrolled in the Cosmetology program at Erie 1 BOCES Potter Career & Technical Center.

"I enrolled in BOCES because I wanted to learn more about makeup, hair and nails, and I would like to one day own my own business," Amanda said.

In the fall of 2023, following graduation, Amanda plans on finishing her cosmetology hours and getting a job in the industry.

Under the instruction of Debra Gampietro, Amanda has learned about hair color, nail care, hair design and more.

"Amanda demonstrates a professional attitude daily," Gampietro said. "She works hard and has her future goals planned out for when she graduates."

"This program has expanded my knowledge about cosmetology and it's taught me how to be a good stylist and build my clientele," Amanda said.

As part of public education, Erie 1 BOCES offers a variety of career and technical programs during the regular school day to high school students in Erie County. High school students interested in learning more about how they can participate in various programs such as sports science, web and gaming technologies, cosmetology or aviation technology should visit www.e1b.org/cte or speak with their high school counselor.

▶▶ West Seneca Student Finds Success

Andrew Taylor has found success in the Regents program at Maryvale Academy.

"Andrew is a hardworking student and sets high standards for himself," said Andrew's instructor, Zabrina Nedimyer.

Upon graduation, Andrew hopes to become a floor installer and attend a two-year college.

"This program has provided me an advantage to reach my goals by allowing me to be successful," he said.
