2021 Briefing of Erie 1 BOCES Services

▶▶ Digital Media Student Excelling in Program

Sierra Thoreson is a senior from Sweet Home High School and is enrolled in the Digital Media program at Erie 1 BOCES Kenton Career and Technical Center.

"I enrolled in BOCES because I've always loved artwork. I wanted to improve my skills by taking the Digital Media class," Sierra said.

In the fall of 2021, following graduation, Sierra plans on going to college to become a veterinarian that specializes in exotic animals and create artwork and sell comics as a hobby.

Under the instruction of Joe Mattimore, Sierra has learned about Adobe Photoshop, digital photography, sound design, and more.

"Sierra has risen to the challenge of working remotely by leading the class in productivity and quality of work," said Mattimore. "She has completed all assignments and stayed connected with the class virtually. She is a talented illustrator and designer who looks to combine a love of animals with her design work. Sierra has worked continuously to build skills throughout her time in the program and will be ready to take her talent to the next level in her career or college."

"This program has provided me an advantage to reach my goals by teaching me how to use programs like Adobe Photoshop and Illustrator," Sierra said. "Now I can promote my own business someday with the skills I learned."

As part of public education, Erie 1 BOCES offers a variety of career and technical programs during the regular school day to high school students in Erie County. High school students interested in learning more about how they can participate in various programs such as sports science careers, web technologies and game programming, health careers or aviation technology, should visit www.e1b.org/cte or speak with their high school counselor.

▶▶ Sweet Home Student Finds Success

Sophomore Randy Yaeger has found success in the Twilight program at EDGE Academy.

"Randy is a strong student who is dedicated to his academics," instructor Dan Walker said. "He is always engaging."

Upon graduation, Randy hopes to get his start at a fast-food restaurant before investing to start a new company.

"This program has helped me get through school by doing two years of learning in one year for certain subjects," Randy said.

▶▶ What is BOCES?

Erie 1 Board of Cooperative Educational Services (BOCES) is a regional school cooperative providing instructional and professional services in order to empower others and transform lives. In 1957, school districts in Erie County created Erie 1 BOCES to collaborate on educational offerings while reducing their individual expenses and enhancing quality. Erie 1 BOCES exists to meet your school district's needs.

▶▶ Mission

Erie 1 BOCES commits to those we serve - students, staff and communities - by understanding, anticipating and responding to their needs.
