# Leadership Recruitment Service

Continuing Leaders

## THE MISSION:

Erie 1 BOCES is committed to anticipating district needs. As such, our goal is to create a pool of highly qualified leaders that can serve in an interim capacity to support our component districts and their staff.

## WHY BECOME AN INTERIM LEADER?

This unique opportunity allows leaders like you to stay relevant and active in the field of education, continue to learn and grow while also providing schedule flexibility. We will work with you to find short or long-term commitments that work for you, the district, and meet the needs of everyone.

**Experienced leaders,  
life-long educators, and  
administrators.**

## BECOME AN INTERIM LEADER

### CONNECT

Contact us via email or phone and let us know you are interested in being part of the leadership recruitment program.

### JOIN

Joining is easy! We look at your professional resume/background, collect important details, and activate your submission.

### LEAD

We pair districts that need your expertise and share strong leadership values.

### SHARE

Sharing your expertise with others opens opportunities for mentorship. Learning from one another and building professional relationships can help strengthen a school, the district, and most important: how we impact today's youth for tomorrow.
