“

My daughter seems to really love learning and school for the first time. It's a relief, she's happy and I'm happy.

- eAcademy 8th Grade Parent

The staff is great and highly responsive to us and our parents. They've managed to turn a virtual environment into an inclusive community.

- Kimberly Moritz, Superintendent
Springville-Griffith Institute CSD

One thing I really like about eAcademy is that it's all online so I feel like you have more resources and I feel connected to my classmates.
