February 4, 2021

### **Re: Travel Advisory**

Attention Erie 1 BOCES Families,

The New York State Department of Health guidelines mandate that anyone travelling to a non-contiguous state for more than 24 hours is expected to take a COVID test before and after travel or quarantine for 10 days upon returning to the state.

If your family will be traveling during the February break, we ask that you please notify the school office of your plans to either quarantine or test-out. A link to the full travel advisory can be found on our website at [www.e1b.org/covid](http://www.e1b.org/covid).

As always, we thank you for being a part of the E1B family and we hope that whatever plans you have for the break, it is stress-free, fun and most importantly, safe.

Sincerely,

*Erie 1 BOCES' Instructional Team*

Michael Capuana, Assistant Superintendent, Instructional Services

Patrick Canfield, Director, Exceptional Education

Christa McHale, Director, Educational Partnerships and Workforce Development

Anedda Trautman, Director, Career and Technical Education
