New Visions and Tech Prep

New Visions and Tech Prep programs are one-year, senior-level programs that provide immersive opportunities for on-site mentorship and exploring components of professional pathways while cultivating student strengths into career decisions. Students in these programs are expected to:

- Demonstrate strength in English and communication skills
- Be highly motivated and academically prepared
- Be able to work independently and also work within a team
- Maintain an exceptional attendance record
- Provide their own transportation to and from class and internship sites

Connections: Health Related Careers

The Connections: Health Related Careers program requires:

- Successful completion of 3 years of science classes
- Students attending the Buffalo General Medical Center to drive to the Potter Career and Technical Center (705 Potters Road, West Seneca) and will ride a shuttle to the medical campus from there.

Kaleida Health, our on-site experience partner, requires a student to have completed their COVID vaccine series to be on-site.

Student Submission Requirements

You will submit your letters of recommendation and statement of career interest by uploading them using the 'Apply Now' button found at www.e1b.org/newvisions

Letters of Recommendation

Students will need **two** letters of recommendation, each with different requirements:

1. One letter from a high school academic teacher, counselor or high school administrator attesting to your interest and ability for the program and career. This letter should address the student's ability to work independently and in groups, oral and written communication skills, dependability, self-motivation and maturity.
1. One letter from a personal reference attesting to the student's personal qualities that make them a good candidate for the program. **The personal reference letter of recommendation cannot come from a family member.**

Statement of Career Interest

You will write and upload a career interest statement of approximately one page, typed. It should include information about your career goals, experiences that helped you decide about a career path, why you want to be in the New Visions or Tech Prep program, and what you think this will mean to you in terms of your education and future goals.
