

Engage

Distance Learning Suspension/ Home Hospital K-12 Instruction Program

- A virtual alternative instruction option for students grades 5-12 serving a minimum 4 week suspension from school or is in need of extended Home Hospital Instruction
- NYS certified teachers provide core content and PE through daily live synchronous/asynchronous instruction.
- Students will have access to weekly counseling sessions.

Engage will meet new pending NYS regulations for homebound instruction

- 10 hours for elementary
- 20 hours for secondary

Our team facilitates a home hospital instruction delivery plan to continue student academic progress.
